Study Abroad Europe 2014

May 15 – June 11, 2014

The Marketing Department at Texas A&M University is pleased to announce its 2014 Study Abroad Program in Europe.

Study Abroad Europe 2014 is open to all majors with an interest in international business. U3 or U4 classification, 2.5 GPA, and MKTG 321 or 409 are prerequisites for participation.

Come join us on the largest (75 students) and longest continuously running (33 years) program in the history of Texas A&M University. Join us as we visit European businesses and experience the cultures in 7 countries (England, France, Monaco, Italy, Austria, Switzerland, and Germany).

All Majors Welcome!

Students from all majors will benefit from the program. The Marketing Department Study Abroad will better prepare students for their professional careers by enhancing their ability to relate to other cultures and customs.

Many Sources of Financial Aid are Available:

More than 1,800 students have participated in this program since its inception in 1981. Many of them have received financial assistance for their participation, with the percentage receiving aid increasing each year as new sources are made available. The Study Abroad Office, 161 Bizzell Hall West, will assist students interested in obtaining Financial Aid to participate in the Study Abroad Program.
